IT IS HEREBY STIPULATED AND AGREED by and between the parties' counsel of record that the dispositive motion deadline in this case be extended until 30 days after a ruling by the Magistrate Judge on Plaintiff's Motion Requesting an *In Camera* Review of Select Items from Defendant's Privilege Log (docket #41), which Plaintiff regards as important to any dispositive motions that might be filed. No further post-discovery deadline discovery will be conducted beyond what has already been approved by the Court (see, docket ##51 and 54). However, this does not preclude a party from bringing a motion regarding any discovery or expert report that has already been propounded or served. This is the third request for an extension of the dispositive
